**Nigel McKay, Director of Procurement
 HS2**

Required	Details
Name	Nigel McKay
Current position	Director of Procurement (Construction)
Organisation	HS2
Professional background and skills	I am a Procurement Practitioner with 40 years of experience in Oil and Gas, Petro Chemical, Property Construction and now the Rail Industry. I am a full member of MCIPS
Industry influence	I was an original founder member of the supply chain school, during my tenure at Lend Lease, was CIPS Chair of the Construction Procurement Group. Founder and inaugural Chair of BuildingConfidence , an industry wide accreditation scheme. Awarded BITC Game Changer status for my contribution to Responsible Procurement practices in the Construction Industry. Member of the Lafarge Tarmac Sustainability Panel and a guest lecturer at Sheffield Uni Business Management School on Global SCM for their MSC in Procurement course
Other relevant information	Now that I am leading the Procurement of the largest Infrastructure project within the EU, namely Phase 1 of the HS2 Rail Programme, directly as part of the client organization, I feel that I have the perfect opportunity to drive the implementation of the school within the Infrastructure industry both within the UK , EU ad potentially within our eventual global supply chain.
