

**free time + free CPD training  
= build space offsite  
construction passport**

Build Space is offering a limited number of places on a fully comprehensive Offsite Construction training course that we have helped develop. Offsite Construction is the most exciting space in the market, this is your chance to learn more about Modern Methods of Construction (MMC) with a view to working on cutting edge, Modular Build projects going forward.

To register your interest in this training programme e-mail your CV to [info@buildspaceuk.com](mailto:info@buildspaceuk.com) as soon as possible.

**deliberately different.**
