ADD USER

Users enrolled in your LP will appear in a table with a column listing the date they achieved the badge. You can add or remove users at any time.

The screenshot shows a web application interface with a modal dialog box titled "Add user". The dialog has a close button (X) in the top right corner. Inside the dialog, there are two main sections: "Select users" and "Select group". The "Select users" section contains a search input field with the placeholder text "Search" and a downward arrow icon. The "Select group" section contains a dropdown menu with the placeholder text "Choose" and a double-headed arrow icon. At the bottom right of the dialog, there are two buttons: "SAVE CHANGES" (in blue) and "CANCEL" (in grey). The background of the application is dimmed and shows a list of users: Andrew, Emma Jane, Paul, Rosie, Ross, and Wendy. A "Carwardine" entry is also visible. The top left of the page has the logo "SUPPLY CHAIN SUSTAINABILITY SCHQ". The top right shows a user profile for "HILARY" and a "LOG OUT" button. At the bottom of the page, there is a pagination control showing "Showing 1 to 6 of 6 entries" and "Previous 1 Next".

You can add users individually by searching for their name or email address, or select a “group”, if you have set these up already in your “colleagues” element of your corporate dashboard.

The screenshot shows the user interface for SCHOL (Supply Chain Sustainability). The header includes the logo, navigation links (Home, About, Learn, Markets, Topics, Partners, Contact), an 'EVENTS' calendar icon, and a user profile for 'EMMA JANE' with a 'LOG OUT' button. The main content area is titled 'Allocated activities' and features a 'School Learning Path 1' entry. This entry includes a badge icon with a scale of justice, the text 'School Learning Path 1', and a 'VIEW PATH >' button. A 'BACK TO DASHBOARD' button is also visible. Below the path name, there is a line of text: 'Type Individual Level Level 1 Due date Wednesday, 17 June 2020, 12:00 AM Allocated Wednesday, 17 June 2020, 9:29 PM'.

The assigned LP will appear in the users' Allocated Activities. Clicking the "view path" button will expand or collapse the list of resources – helpful if the user is enrolled in multiple LPs.

The badge displayed is the badge they will be awarded upon completion. It will be saved in the "badges" area of their dashboard.
