## Meet the Buyers Event

### *M25J10 Scheme Presentation*

11<sup>th</sup> August 2021

# PRESENTER INTRO.

**George Pargeter, Package Lead**

# M25J10 Scheme Overview

- Four new slip roads for the M25 junction 10 roundabout
- The M25 will increase from three to four lanes through the junction
- A3 to become four lanes either side of the junction 10 roundabout.
- Improvements to the A245, Sevenhills junction and Painshill roundabout.
- New and safer routes for pedestrians, cyclists and horse riders.

Anticipated Start of Works: Autumn 2021  
Scheme Budget: £200m to £250m

# Objectives

- Improve safety, reduce traffic, smooth the flow of traffic and improve journey times.
- Improve almost 300,000 journeys a day
- Reduce collisions by a third
- Leaving a lasting legacy through our environmental work
