

RDP National Meet the Buyers

Scheme Presentation

18 August 2022

Eileen Longworth – A57 Project Director

Balfour Beatty

A57 Link Road

Scheme Overview

- The A57 Link Roads project will include the creation of two new link roads: Mottram Moor Link Road & the **A57 link road**
- a new single carriageway link from the A57(T) at Mottram Moor to a new junction on the A57 in Woolley Bridge
- 130m underpass
- River Etherow crossing, 40m span
- Mootram Moor Junction remodelling

Anticipated Start of Works: **March 2023**
Scheme Budget: **£180m**
D&B Budget: **£114m**

Objectives

- Minimise congestion, improving journey time reliability.
- Encourage economic growth (delivery of goods to businesses is delayed less)
- Improve employment opportunities (route currently not ideal for commuters)
