

THE INNOVATION DRIVEN PROCUREMENT *Project*

Who is it for?

SME and Micro-Business Owners in the UK Construction Supply Chain, the 'boots on the ground' delivering on site

What is it?

CITB, fully funded online training, coaching and mentoring to help improve productivity, collaboration, expand procurement opportunities and increase profit margins. Available between now and end of March 2023.

As this is fully funded, demand will be high to access this support.

How does it work?

Sign up via the web address or click on the QR code below. You will then be invited to:

1. Complete four, short, 20 min courses on Collaboration, Productivity, Innovation and Value.
2. Attend an Innovation Workshop to brainstorm ideas to improve site-based activities, business operations and tendering opportunities
3. Join an online community to access business support including weekly mentoring calls
4. If spaces are still available, become 1 of 40 Innovation Champions to receive 12 hrs. free Coaching and Mentoring to do an innovation project in your business
