1030h – 1120h

WORKSHOP SESSION RECORDINGS AND SLIDES

[PAS2080 Workshop Recording at NH MTB 2023](#)

[PAS 2080 Presentation Slides MTB 2023](#)

A workshop setting out and discussing how PAS2080 can assist with controlling and reducing carbon across the supply chain in major infrastructure projects.
Presenters: Mark Emmett, National Highways, Laura Watson, National Highways, Catriona Cliffe, Octavius

[Knowledge Bank Workshop Recording MTB 2023](#)

[Knowledge Bank Presentation Slides MTB 2023](#)

Sharing information on how we capture best practise from our supply chain through the major projects knowledge bank.

Presenters: Martin Sherlock, National Highways, Rebecca Mason, National Highways

[Environment & Sustainability Strategy Workshop Recording MTB 2023](#)

[Environmental Sustainability Strategy Presentation Slides MTB 2023](#)

[Kier Environmental Sustainability Presentation Slides MTB 2023](#)

National Highways published its Environmental Sustainability Strategy in 2023. This sets out the nine priority areas where the highways sector can deliver the most benefit for carbon, communities and nature. This session presents details of the strategy and how supply chain can support its successful delivery.

Presenters: Michael Whitehead, Laura Watson, & Dean Kerwick-Crisp – National Highways, Rebecca Cottingham / James Geraghty, Kier

[Modern Methods of Construction Workshop Recording MTB 2023](#)

[MMC Slides Manjit Rana MTB 2023](#)

[Adam Steele Slides MTB 2023](#)

This workshop will introduce current work to develop an MMC strategy for the highways sector, which will drive efficiency and productivity improvements in our industry.

Presenters: Manjit Rana, National Highways, David Emery, Supply Chain Sustainability School, Adam Steele, Skanska

[Quality and Getting it Right First Time Workshop Recording at NH MTB 2023](#)

[Quality & Getting It Right First Time Cliff Smith Presentation Slides MTB 2023](#)

[Rob Andrewes Presentation Slides MTB 2023](#)

GIRI (Get it Right Initiative) is a group of industry experts, organisations and businesses dedicated to eliminating error and improving the UK construction industry. GIRI will lead this session to demonstrate the importance of a working culture that gets it right from the start, and engages all stakeholders in eliminating error from inception, to completion.

1130h – 1230h	<p style="text-align: center;"><u>Midlands Scheme Full Presentation Recording MTB 2023</u></p> <p style="text-align: center;"><u>Schemes: A52 – Steve Havaland, Farrans</u> <u>A417 Missing Link – Paul Baker, Kier & Lewis McIntosh, Kier</u> <u>A46 Walsgrave Junctions – Nikolaos Sapounas, Octavius & Grant Taylor, Octavius</u> <u>A46 Newark – Tom Goodwin, Skanska</u></p>
