

Modern Slavery Group – Business Plan – 2023/24

Helen Carter – Modern Slavery & Human Rights
Lead

Our mission is
to enable a sustainable
built environment
through knowledge
and collaboration.

Our vision is
an industry where
everyone will have
the skills and
knowledge to deliver
a sustainable future.

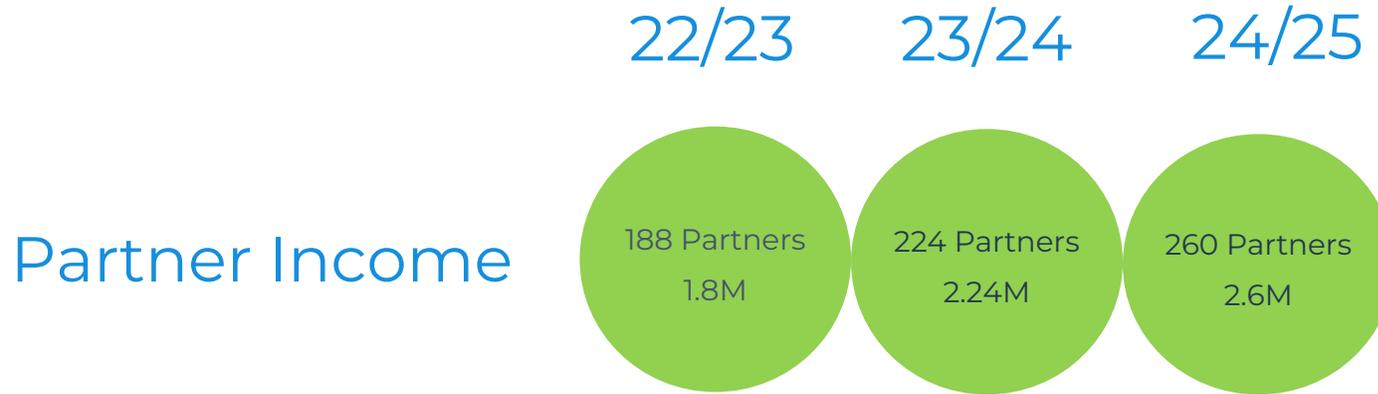

Our Goal:

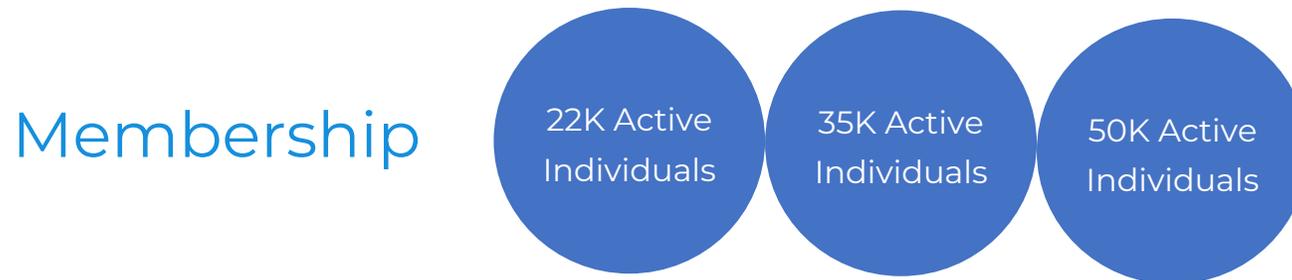

By 2025, we will inspire and enable 50,000 people annually (in our Partners and their supply chains) to be more sustainable and drive real change

FOCUS ON

THE HOW . . . 7 ACTIONS TO DRIVE OUR IMPACT

✓ **Drive impact / grow the number of PMC signatories**

- 160 Signatories
- 100% commitment via the online system
- 1 x virtual business byte to showcase the Charter
- Keep resources updated
- Comms / marketing to raise the profile – case studies, social media, email campaigns
- 1 x lunch learn case studies focusing in on specific commitments in the PMC and how signatories are embedding the PMC within their organisations/ supply chain
- Develop page to showcase case studies

✓ **Embed PMC into the wider School**

- Align with other School groups / topics / assessments – wellbeing, FIR,

Modern Slavery group priorities 2023-24

- ✓ **Update / refresh / review existing School resources**

 - Update e-learning modules

 - Refresh learning pathways / develop new learning pathway?

 - Map all School modern slavery resources against the headings in BS 25700 organisational response to modern slavery and identify gaps

- ✓ **Develop common heatmap for exploitation risks in the built environment**

- ✓ **Showcase best practice (1 x virtual business bytes, 4 x lunch n learns, case studies, marketing campaigns)**

- ✓ **New resources on operational support for identifying and responding to modern slavery**

- ✓ **To be the UK's leading collaboration to combat modern slavery in the built environment**
