Key Outcomes & Decisions:

24th September 2026 Meeting

Topic	Key Takeaway
FM and Property resources on the School	Continue the review and refresh of FM/property sustainability resources and develop a more relevant FM learning pathway
School App - FM	Partners gave inputs on current suggested and additional topic/FM trade areas
Once for All - Sustainability Maturity Assessment for FM	- One for All are developing a consistent, verified sustainability maturity assessment for supply-chain organisations, with the School retaining ownership of the underlying standard - Discussion on how this might be developed and how partners can assist
FM and Property webinar programme	Webinars all planned and scheduled – need promoting now by School and Partners

Key Decisions

- Partners and School to **continue the review and refresh of FM/property sustainability resources** and **develop a relevant FM learning pathway**
- Partners to **volunteer for a small App steering group to define the app's FM content strategy** and support the development and review of learning journey

N.B. Link to Miro board for partner additional ideas: https://miro.com/app/board/uXjVHih7rLM=

- Partner volunteers sought to help **with further insights on the Once for All assessment proposals**
- Partners to please **promote the three upcoming FM and Property focused webinars** to colleagues, suppliers and clients.
